We are well versed in tailoring our offerings to a wide range of industries.

With each passing year, we expand our product lines, service offerings and capabilities in order to better serve the differing needs and specific requirements of distributors and service companies of all sizes.

For nearly 50 years Alpha Chemical Services has been a manufacturer of cleaning products. Founded as a family business in 1969 by Wayne Juckett, Alpha Chemical has built upon its founder's expertise in the food and beverage industry, and expanded manufacturing of cleaning products into other industries, such as food service, institutional, industrial, transportation and personal care. From humble beginnings, Alpha has since developed a rich history of expertise and knowledge in formulating, manufacturing and innovating products to meet customers' needs.

Alpha Chemical's manufacturing facilities are ISO 9001:2015 certified, and are registered chemical blending facilities for: EPA, NSF, Kosher, Green Seal, and Safer Choice. Private label packaging, and toll manufacturing services are available for products in liquid, powder, solid and portion control packaging. Our quality control standards and procedures can meet the strictest customer specifications.

MULTI-SURFACE CLEANERS

ALL PURPOSE CLEANER WITH BLEACH (5247)

An all purpose cleaner fortified with bleach for cleaning bathrooms, sinks, tubs, tile, toilet bowls, and cutting boards. This product is also a handy laundry pre-spotter for white fabric items.

[6x1 quart case](#), [4x1 gallon case](#), [5 gallon pails](#)

ORANGY (6552)

A customer favorite. Orangy is a ready to use multi-surface cleaner with a fresh and clean orange scent. This institutional cleaner will dissolve and remove grease, dirt, oil and similar tough substances. It is safe for stainless steel and other surfaces such as aluminum, brass, linoleum tile, formica, painted surfaces, and upholstery. It is an ideal cleaner for kitchens, dining areas, rest rooms, and general housekeeping.

[6x1 quart case](#), [4x1 gallon case](#)

OXYGEN STAIN REMOVER (0502)

Oxygen Stain Remover is great for cleaning coffee equipment, coffee urns, and destaining plastic. Safe for use on plastic & melamine surfaces. Can be used to remove stains on carpets and acts as color safe bleach. This product contains activated oxygen which is released faster and at lower temperatures for faster stain removal. Oxygen Stain Remover is also great for removing stains from colorfast fabrics in the laundry.

[16 pound pails](#)

MARVELOUS - Concentrate (5605)

Excellent for front-of-house and bathroom use, Marvelous Concentrated Multi-Purpose Cleaner is designed for general cleaning needs, including walls and floors. Its fresh, clean lavender scent is a gentle reminder to your customers that cleanliness is a priority in your establishment.

[4x1 gallon case](#), [5 gallon pails](#), [30 gallon drums](#), [55 gallon drums](#)

MARVELOUS GENERAL PURPOSE CLEANER - READY TO USE (5599)

Excellent for front-of-house and bathroom use, Marvelous General Purpose Cleaner is designed for general cleaning needs, including walls and floors. Its fresh, clean lavender scent is a gentle reminder to your customers that cleanliness is a priority in your establishment.

[6x1 quart case](#)

PINE CLEANER (5044)

Concentrate. Pine Cleaner deodorizes as it cleans. Reduces the time and effort needed for proper cleaning of floors, walls, and restrooms. You can count on Pine Cleaner for all these needs.

4x1 gallon case

GLASS AND MULTI-SURFACE CLEANER (5415)

Removes film, smudges, smears, and soil without streaks. Cleans glass & mirrors streak free. For use on glass, plastic, and plexiglass. Excellent for refrigerators, formica, paneling, vinyl, porcelain, ceramic, and stainless steel. Glass and Multi-Surface Cleaner will take the place of two separate cleaners

6x1 quart case, 55 gallon drums

MINT CLEANER (5107)

Mint Cleaner is a neutral pH detergent that is useful for the cleaning of painted surfaces such as walls, woodwork, furniture and a variety of other surfaces. It is particularly well suited for daily moping of finished composite tile floors where it is important to not damage the finish.

4x1 gallon cases, 5 gallon pails, 55 gallon drums

ORANGE VIGOR (6560)

An excellent and cost-effective multipurpose product for cleaning virtually all surfaces in restaurants, schools, nursing facilities, health clubs, and hotel operations. Used through a dilution station, its dual action formulation cleans counters, walls, wood, painted surfaces, upholstery, stainless steel, aluminum, granite, porcelain, chrome, etc. Orange Vigor is made from natural and biodegradable ingredients.

6x1 quart case , 4x1 gallon case, 2.5 gallon pail

BLUE CONCENTRATE (0142)

Lemon scented. This multi-purpose concentrated cleaner has the built-in cost control portion cup that measures just the right amount of cleaner every time. Cleans floors, walls, woodwork, tile and a variety of other surfaces. Safe for use on surfaces not harmed by water. 🌿 *Environmentally Preferred Product*

4x1 gallon case

CONCENTRATED ALL PURPOSE CLEANER (5852)

No rinse multi-purpose cleaner for floors, walls and all washable surfaces. Low foam formulation that works well in all water temperatures and conditions. Free rinsing. 🌿 *Environmentally Preferred Product*

4x1 gallon case, 2.5 gallon containers

FLOOR CARE

QUARRY TILE FLOOR CLEANER WITH BLEACH (1191)

Heavy Duty. Quarry Tile Floor Cleaner With Bleach is a versatile cleaner featuring a powerful bleach formula that quickly cleans a wide variety of surfaces. Removes tough stains and cuts grease. It can be used for cleaning greasy walls, floors and stainless steel surface areas. Very effective in removing protein stains.

80x2.5 ounce packets/case

EASY MOP (5541)

Removes film, smudges, smears, and soil without streaks. Cleans glass & mirrors streak free. For use on glass, plastic, and With a regular chemical floor degreaser, the floor is supposed to be agitated aggressively with a deck broom every night in order to keep the grout clean. Easy Mop greatly reduces the intensity and frequency of the deck brushing. Customers have stated that EASY MOP is superior to chemical degreasers when they witnessed the flaking of the soil from the grout. This product will take up to two weeks to remove the historic build-up of fats, oils, and grease which has accumulated on your floor. Once the grout is clean, washing with a solution of Easy Mop does not require a rinse afterwards.

4x1 gallon case, 2.5 gallon pail, 5 gallon pails

FLOOR CLEN 300 (5453)

A liquid floor cleaning compound for use in floor scrubbing machines.

6x1 quart case, 4x1 gallon case, 55 gallon drums

GREASE BE GONE (6282)

A concentrated, free rinsing, heavy-duty detergent designed for use through automatic floor scrubbers. Grease Be Gone can also be used as a general purpose interior bus cleaner.

5 gallon pails, 15 gallon drums, 30 gallon drums, 55 gallon drums

NATURAL WOOD OIL SOAP (5644)

Cleans wood surfaces, leaving behind a clean, glossy shine. Lemon scented and safe for use on marble surfaces.

6x1 quart case, 4x1 gallon cases

ORANGE POWDERED FLOOR CLEANER (1035)

Heavy duty orange powdered floor cleaner for greasy car wash, lube and shop floors. Will eat through the toughest grease providing a safe clean environment for both workers and customers. Simply mix with water, apply to surface, scrub vigorously and rinse. Dilutions up to 1/4 LB per gallon of water.

40 LB Pail, 400 LB drum, 400 LB. drum

POWDERED FLOOR CLEANER (4008)

Institutional strength cleaner that cuts through dirt, grease and oil from floors, walls and other surfaces. Use on concrete, quarry tile, terrazzo and resilient floors. Use inside or outside on driveways, sidewalks and drive through areas. 🌱 *Environmentally Preferred Product*

50x1 ounce packets

QUARRY FLOOR ACID CLEANER (5340)

Quarry Floor Cleaner removes grease and grime from the pores of quarry tile or concrete flooring, and creates a surface with a higher coefficient of friction - less slippery even when wet.

4x1 gallon case, 2.5 gallon containers, 5 gallon pails

e.COAT (RSECOAT)

A zinc-free floor finish. Hard, high gloss floor finish and seal. Contains no zinc or other heavy metals. High performance on resilient and terrazzo floors. Use with all buffing and burnishing floor maintenance systems. Meets and exceeds slip resistance standard ASTM D2047. 🌱 *Environmentally Preferred Product*

4x1 gallon case, 5 gallon pails

e.MULSIFY (RSEMULSIFY)

Low odor floor stripper. e.MULSIFY is an environmentally preferable non-butyl stripper that removes floor seals and finishes. Fast acting, e.MULSIFY dissolves and removes multiple coats of conventional and metal free floor finishes. Low odor, use where indoor air quality and use of high solvent solutions is not recommended. 🌱 *Environmentally Preferred Product*

4x1 gallon case, 5 gallon pails

POWDERED FLOOR CLEANER (4008)

Institutional strength cleaner that cuts through dirt, grease and oil from floors, walls and other surfaces. Use on concrete, quarry tile, terrazzo and resilient floors. Use inside or outside on driveways, sidewalks and drive through areas. 🌱 *Environmentally Preferred Product*

50x1 ounce packages/case

SOLVIT (5875)

Superior carpet, upholstery and interior shampoo for all vehicle surfaces. Completely biodegradable, fast drying, low foaming, excellent degreasing qualities makes this an ideal one step interior cleaner and detailing product. Pleasantly scented.

6x1 quart case, 4x1 gallon case, 5 gallon pails, 55 gallon drums

RESTROOM CARE

ALL PURPOSE CLEANER WITH BLEACH (5247)

All Purpose Cleaner with Bleach: An all purpose cleaner fortified with bleach for cleaning bathrooms, sinks, tubs, tile, toilet bowls, and cutting boards. This product is also a handy laundry pre-spotter for white fabric items.

 **Environmentally Preferred Product**

6x1 quart case, 55 gallon drums

BLUE CONCENTRATE (0142)

Lemon scented. This multi-purpose concentrated cleaner has the built-in cost control portion cup that measures just the right amount of cleaner every time. Cleans floors, walls, woodwork, tile and a variety of other surfaces. Safe for use on surfaces not harmed by water.  **Environmentally Preferred Product**

4x1 gallon case

ODOR CONTROL & DEODORIZERS

DUMPSTER DEODORIZER (1175)

A cherry scented deodorizing biological treatment for dumpsters, trash bins, and garbage cans. Most dumpster odor is caused by what is on the bottom of the dumpster. Moisture in the dumpster activates the odor destroying bacteria in Dumpster Deodorizer. Can also be use an absorbent for obnoxious odors. Every restaurant should have a container of Dumpster Deodorizer at the waitress station for those unfortunate incidents where a child is sick. Dumpster Deodorizer quickly covers the problem eliminating the odor quickly, absorbing the liquid and facilitating rapid clean up.

2x5 LB. pail, 50 LB. drum

ODOR OUT PLUS (5520)

Odor Out Plus eliminates odors by chemically binding them thereby eliminating them even after drying. Simply saturate areas to be treated. Recommended for use on garbage cans, trash bins, urinals, and dumpsters. Eliminates odors from cigarette smoke, fish, kennels, and other obnoxious odors. Odor out plus is also extremely effective at neutralizing odors in guest rooms by misting into the air and on drapes.

6x1 quart case, 4x1 gallon case, 5 gallon pails

SANITIZERS & DISINFECTANTS

Use of the correct sanitizer for the job will not only help you customer to keep their physical plant clean and sanitary to insure good inspections, but will also put them at the first line of defense against food borne illness. Factors such as length of contact time, ease of use, temperature of the rinse water, and the length of time that a solution needs to last, all need to be taken into account in order to be sure that the sanitizer will perform properly. With access to the Alpha Chemical line you will have twelve products available to enable you to tailor the sanitizing program to your customer's needs.

ALPHA BAC (5688)

Alpha Bac is a quaternary disinfectant food contact sanitizer. For use in public eating places, dairy processing equipment and food processing equipment. Articles are sanitized in a 150 - 400 ppm active quat.

4x1 gallon case, 2.5 gallon pail, 5 gallon pails, 15 gallon drums, 30 gallon drums, 55 gallon drums

ALPHA BAC 10 (5678)

Alpha Bac 10 is a quaternary disinfectant sanitizer. Dilutions are 200 ppm QUAT for sanitizing. This liquid Sanitizer is for use in food service areas with no rinsing and can be used in the third compartment sink. Provides 200 PPM QUAT at one ounce per 4 gallons.
